Getting ready for another year of varied activities of the International Committee are these three students. Being signed up to the Committee by Mrs. Chihoko Kitano

are Hormoz Saleh and Cheryl Davis (left to right). Applications are now being taken for prospective members of this large committee.

International Students Organization Helps Create Friendly Atmosphere

At Brigham Young University the administration, faculty and students have organized a group to help international students feel at home no matter what culture they are from.

THE INTERNATIONAL STUDENT organization (ISO) was organized last year. By-laws were created and two governing bodies, the IS Council (the executive body) and the IS Assembly (the legislative body) were created.

Leaders of last year's IS elected members of this year's Council. They are: chairman, Reza Baffari; Vice-Chairman of Culture, Irma Engeler; Vice-Chairman of Social, Eric Summerfeldt; American Representative, Lars Eggerlin; and Secretary, Jeanne Gross. A foreign Representative for the vice-president of student relations will be added.

ACCORDING TO the by-laws, the assembly will be chosen by the council through application and interview. Several Committee chairmen and many committee workers will be needed to plan the various activities.

Graduate Program Opened By College

A new graduate program in engineering science was announced by BYU recently by Armin J. Hill, dean of the physical sciences and engineering college.

THE CURRICULUM includes 21 semester hours of common core courses required of all students. A minimum of nine additional hours are required, of which a maximum of six may be allowed for a research or design thesis.

The required and elective courses will be scheduled in the evening for the convenience of individuals who are employed, Dean Hill said.

Some of these committees will handle foreign movies, firesides and discussions, International Week, and other cultural events.

OTHER COMMITTEES are in charge of the Foreign and Host-Family Programs, publicity, finance, and social events as well as decorating the International Room and planning the IS Banquet.

Applications are available on the fourth floor of the Wilkinson Center at the International Student Desk for anyone who wants to work on any of these committees. People interested in being committee

chairmen, secretaries, receptionists, or assemblymen should come for an interview in the International Room, 306 Wilkinson Center.

INTERVIEWS will be held Thursday from 9:00 to 2:00 p.m. and from 3:00 to 5:00 p.m., and Friday from 9:00 to 5:00 p.m.

The first general meeting will be held Thursday from 4:00-5:00 p.m. in the International Room. The following week, an open house will be held from 7:00-9:00 p.m. in the multi-purpose area of the Smith Family Living Center.

Elder Evans To Speak At BYU Stakes Fireside

Elder Richard L. Evans, member of the Council of Twelve of the Church of Jesus Christ of Latter-Day Saints, will be the speaker in a combined BYU stakes fireside Sunday night at 7 p.m. in the Smith Fieldhouse.

ELDER EVANS, also known as a radio commentator for many years on the Mormon Tabernacle Choir program with "The Spoken Word," is also a member of the Board of Trustees at BYU.

He has served in many capacities for the Church over a period of years including a position on the YMCA General Board and the First Council of Seventy.

FIRESIDE officials have urged all BYU students planning to attend the fireside to come early to get the best seating as a large crowd is anticipated for the first fireside of the school year.

Plans Announced For Cougar Days

Cougar Day's boosters will snake dance from Provo City Hall Thursday beginning at 7:15 p.m. in anticipation of Friday's football game between BYU and Kansas State, the BYU Pep Committee said in announcing their schedule.

THE GROUP will snake dance from the City Hall to a vacant lot north of Helaman Halls for a huge bonfire. The pep rally will be in the Smith Field House later in the evening.

Currently the committee is seeking wood for the bonfire. Those who may be able to help are asked to contact Sid Paulson.

PLANS ARE NOW underway for the traditional Cougar Day's Jail under the direction of the Collegiate Athletic Association.

"We plan to jail anyone not wearing blue and white Friday," Brent Solfe, vice president of CAA said. The jail is being erected Thursday on the quad between the Eyring Science Center and the Smith Family Living Center.

JAILING WILL CONTINUE Friday between the hours of 10 a.m. and 2 p.m., the association said.

Cougar Days are being held earlier than usual in an effort to vitalize school spirit early in the school year, according to Sid Paulson, chairman of pep activities for the week.

"We would like Cougar Days before the first football game to

build enthusiasm and school spirit," he said.

COUGAR DAY'S WEEK of activities were kicked-off Monday with a "Get Acquainted" party in the three Ballrooms of the Wilkinson Center. Freshman and upperclassmen had a tug-of-war behind Helaman Hall and a watermelon bust. Tuesday saw the annual Welcome Back Assembly in the Smith Fieldhouse.

Film To Be Shown Of Arizona Game

A football film of the Arizona State vs. BYU game Saturday will be shown Thursday at 12 noon and 1 p.m. at the varsity theatre, the coaching staff announced.

THE FILM is sponsored by the football coaching staff and the social office and will be narrated by coach Hudspeith.

Both faculty and staff are invited to the noon showing. Students may fill any additional seats. There will be no charge for either of the showings.

Plans now call for a film showing of all the away games BYU will play this season.

Paperback Drive Organized For Viet Nam Servicemen

BYU students have been given a chance to aid the war effort in Viet Nam through a local Red Cross Drive.

THE PROVO Red Cross has announced that it has received a plea for paperback books for all kinds of genres to American servicemen both in hospitals and in the field in Viet Nam.

BYU Alumnus Gets Position

A former BYU student, Dr. Edwin Brown Firmage, has been selected by Vice President Hubert Humphrey to serve as his aide.

FIRMAGE is currently an assistant professor of law at the University of Missouri Law School and has also taught at Columbia. He was one of 15 chosen for White House fellowships by President Johnson from among 4,000 applicants for the program which was inaugurated last year.

THE PROGRAM is designed to give outstanding persons a working knowledge of the federal government at the highest level. One winner is assigned to each Cabinet officer, four members of the White House Staff and to the vice president.

Dr. Firmage, a native of Provo, graduated summa cum laude from BYU with a degree in political science in 1960. He received the National Honor Scholarship from the University of Chicago Law Review and graduated with his doctorate there in 1963.

He will work on the President's legislative program and do some research on urban affairs.

A campus organization, The Young Men, has agreed to handle the on-campus drive. They have designated the lounge on the main floor of the Wilkinson Center as the clubbook.

THURSDAY from noon to 5 p.m. and Friday from 9 a.m. to 4 p.m. students may deposit any paperback books they wish to contribute to the drive in that area and they will later be turned over to the Red Cross by the Young Men.

The Red Cross has specified that books must be paperbacks and do not want any hard cover books of any sort, or picture books. They have also indicated that the paperbacks should be fitting to send to the men in the Armed Forces, and request no obscene books or religious books.

In addition, all of the paperbacks should be fiction rather than non-fiction. Details about the collection can be obtained by phoning Jim Christensen of the Young Men at 374-3215.

Karl B. Blake

Y Student At Circle K Convention

Karl B. Blake, Governor of the Utah-Idaho Circle K district, headed his delegation to the annual Circle K Convention held at Miami Beach September 1-5.

A TOTAL of 83 delegations from 630 universities located in all-fifty states and all the provinces of Canada participated in the event.

The delegates received professional training in several phases of American-Canadian life. The convention was a major part of the effort being made by the National Kiwanis Club to create aids and opportunities for outstanding young collegeians.

BLAKE was active in the Key Club of Orem High School and also served as president of that student body. He is presently an Assemblyman at BYU.

His expenses at the convention were paid by the Provo Kiwanis Club.

Red Is Popular With Coeds For 'Dorm Suits'

Girls going back to college will be thrilled by warm and toasty sleepers called "dorm suits." Made of lightweight, heat-holding acrilan and stretch nylon, the "dorm suit" zips up the front. Red is the most popular color.

A rapidly growing fashion world means more and more unusual words popping into the vocabulary. Pronouncing them can be tedious twisting at times. For instance, "empire" is pronounced "ahm-peer"; "Alencon" referring to french lace, is "ah-lah-sohn"; "mattelease" is "mat-lah-say"; "... and "discotheque" is "dees-koh-leik."

Foreign Students Need Homes In Utah Valley

Utah Valley residents have been invited to become hosts for foreign students during their first year in the United States.

THE PROGRAM, which already is in operation, is sponsored by the International Student Council of Brigham Young University. Winston Sam Fong is chairman.

First duty of the local friends is to meet the students when they arrive in Provo to attend the University. They are asked to take the foreigners into their homes for a brief period to acquaint them with American customs.

THE PERIOD also will provide a time for foreign students to become adjusted to American foods

and habits. Mr. Sam Fong said the temporary "parents" must want to take the visitors on sight seeing tours of the area.

During the year the parents will share Thanksgiving and Christmas holidays with the students. The students in return will invite the parents to various school functions and activities sponsored by the geographic and foreign clubs.

Area residents interested in the program may leave applications with the adviser of foreign students A-229 O. Smoot Administration Bldg. Representatives of the program will then call on the applicants to explain the program and answer any questions.

The red carpet of the Skyroom in the Wilkinson Center will be rolled out for the first time this year on Saturday from 7:30 to 11:30 p.m.

IN THE EXCLUSIVE atmosphere of the campus "high" spot, dinner, dancing and entertainment will be the fare for the evening. Strains of a cocktail piano will be heard intermittently as guests leisurely eat dinner.

tainment is planned, while certain numbers will be performed all evening.

For table reservations call Ext. 3151 or come to the Main Information Desk in the Wilkinson Center. Tickets will be sold on a first-come-first-served basis.

Bargaining Slow In Newspaper Strike

NEW YORK (AP)—A New York Newspaper Guild spokesman reported "very constructive" bargaining Wednesday in the week-old strike against the New York Times, but said settlement is still some distance away.

Any cause for optimism, said the spokesman, Thomas J. Murphy, was because it was "the first intelligent and clear-cut talk we've had."

China Blasts U. N.

TOKYO, (AP)—Red China called Thursday for a thorough reorganization of the United Nations "to get rid of U. S. domination." It also suggested the creation of a new world body to oppose the U. N.

Defense Manpower Program Shuffled

WASHINGTON, (AFPS)—A manpower reapportionment program involving 75,000 military assignments has been announced by Secretary of Defense Robert S. McNamara to speed up and reduce the cost of the nation's military buildup.

Initial phase of the program involves hiring 60,000 civilians during 1966 to do civilian type jobs now being done by 5,000 military officers and enlisted men in non-combat support assignments.

Viet Cong On Move; U. S. Bombers Strike

SAIGON, VIET NAM, (AP)—Viet Cong guerrillas hit two towns in Mekong Delta Wednesday with mortar attacks and killed or wounded 26 civilians, a U. S. military spokesman reported.

THE GROUND action came as S. B-52's plastered suspected communist installations 25 miles north of Saigon in their eighth raid in nine days. Other U. S. planes struck bridges and boats in North Viet Nam.

The Viet Cong lobbed mortar shells into the towns in Dinh Tuong province 50 miles southeast of Saigon and overran an outpost in the same province, the spokesman said. Government defenders of the outpost suffered heavy losses, he said.

Communist guerrillas also struck another nearby Vietnamese outpost, causing light casualties. Government troops later retook

both posts and killed two Viet Cong, he said.

IN THE CENTRAL highlands, troops of the 1st Cavalry Division exchanged fire for 10 minutes with a Viet Cong unit probing the defense perimeter of the newly established base of the "Flying Horsemen" at An Khe, 260 miles north of Saigon.

The Army 101st Airborne Brigade, in the same area, reported sporadic fire with the enemy.

THE B52's, WHICH earlier this week concentrated on targets in the Communist-infested Mekong Delta, struck Wednesday at Binh Duong Province north of the Capital.

Under security regulations, no assessment of the B52 strike was given. But pilots of 16 Navy planes from the U. S. 7th Fleet carrier Midway reported destroying two boats and heavily damaging several bridges in raids over North Viet Nam. The pilots said they met with heavy ground fire but all planes were reported to have returned safely. On Monday, six U. S. aircraft were downed by fired gunners and two others fell when they collided.

Indian Cease-Fire Takes Effect

NEW DELHI, India, (AP)—A military men to India and Pakistan to supervise the agreement and the requested withdrawal along the line where the fighting has raged since early August over control of a divided state of Kashmir.

A wave of relief swept many world capitals at the belligerents' acceptance of the Security Council order. But Red China truculent as ever, continued to attack the United Nations, the United States and the Soviet Union.

President Johnson promised in a telephone talk with President Mohammed Ayub Khan of Pakistan that the United States would support the U. N.

Hours before the scheduled time for the end of hostilities military radios crackled out orders to troops of India and Pakistan to stop the shooting in accordance with the agreement reached by the United Nations Security Council in New York early Wednesday.

There were no immediate reports of violations of the cease-fire. But a few hours before the deadline, Pakistan accused India of bombing the holy city of Amritsar early Wednesday and killing 42 civilians there.

In a letter to U. N. Secretary-General U Thant, Indian Ambassador G. Parthasarathy termed the reported attack a "serious and dastardly violation" of the truce agreement.

Amritsar, the Golden Temple City of the Bearded Sikhs religious sect, is in Punjab State near the western front.

The Indians also reported two other pre-cessate-fire Pakistani air raids.

As the truce hour approached, the United Nations rushed about 30

order. But Red China truculent as ever, continued to attack the United Nations, the United States and the Soviet Union.

President Johnson promised in a telephone talk with President Mohammed Ayub Khan of Pakistan that the United States would support the U. N.

Immigration Bill Passes Senate; Faces Long Road

WASHINGTON, (AP)—The National Origins Quota System was rejected Wednesday as the Senate passed an immigration bill, but a year-long squabble still looms on the nation's immigration issue.

This fight is expected to come in conference over the Senate's rejection of unlimited entry from western Hemisphere nations, a move rejected in the House.

By a 76-18 vote, the Senate clashed days of debate on the Administration-pushed changes for foreign-born seeking permanent U. S. residence.

International Ballroom Dance Club Is Organized For BYU Students

A completely new type of organization, The BYU International Ballroom Dance Club, has been organized on campus.

THE ORGANIZATION, which will be directly associated with the Program Bureau and Production Guild, has had the opportunity in the past as the BYU Ballroom Dance Team to take exchange assemblies to other universities including Ricks, Utah State, and Weber.

THE NEW CLUB, however, has been organized to fulfill many other basic needs for such an organization on campus.

According to club leaders, one reason is that there are many more performances than one group of dancers can handle.

IN ADDITION, there are many talented students in the student body who wish to participate in exhibition dancing. The club will offer a program which will provide

special training for the BYU ward dancers.

A program will be organized to standardize both the styling and methods of instruction of the various dances. The club also wishes to foster more competitive dancing among students.

THE PROGRAM will also furnish choreography and dancers for the Program Bureau, Production Guild, and similar organizations. A final goal will be to raise dance standards and encourage better dancing at BYU.

The program will begin Thursday with fall tryouts from 4 to 8 p.m. in 181 Richards Bldg. Further tryouts will be held next week on Monday and Wednesday from 3 to 5 p.m. at the East Ballroom of the Wilkinson Center.

AFTER the club is fully organized, there will be a two-hour training session each Monday afternoon on styling. Ward dance directors will be invited to attend.

On Wednesday there will be a two-hour training session for club members on routines and teaching dancing.

A ONE-HOUR special class on international styling or other techniques related to exhibition dancing will be arranged at a later date. After the special classes, club members will hold a one-hour session of instruction and tutelage for the general student body.

Although positions on the exhibition team are limited to 20 couples, club membership and participation is open to anyone who wants to apply.

Bookstore Manager Gives Students Helpful Advice

A lone student stumbled wearily out of the Smith Fieldhouse after going through a frustrating three hours of registration and headed for the BYU Bookstore to get his books.

WHEN HE'GOT there, he found himself embroiled in registration's younger brother—the textbook scramble.

In order to help students through this scramble, Bookstore manager Ivan Sanderson has released the following information outlining Bookstore policies and procedures for buying books.

ALL TEXTBOOKS are located on the second floor of the Bookstore and are grouped under departments, such as Art, Business Management, Nursing, etc.

Under these headings, the books are located according to the course number, such as Art 201, 206, 210, etc., except for course numbers in the one hundred series. Books for these courses are grouped separately in the northwest corner of the second floor.

THERE IS a shelf tag for each book giving the course number, author, and title. Required books have white tags and recommended books have pink tags.

No book list is necessary since all information is on the textbook shelves, but an information counter is located in the southwest corner of the book floor to help those who need it.

AFTER A BOOK has been bought, it may be returned on the following conditions:

1) Books in absolutely new condition may be returned without penalty up to two weeks from the first day of classes.

2) Books which have been written in or underlined will be con-

sidered used and will be handled as regular used-book purchases.

3) New books in which students have written only their name will receive a refund less 50 cents if they are returned within the regular two-week return period.

4) Defective books will be replaced at no charge and should be returned at once.

If a book has been sold out, a student may place a special order at the textbook office.

This will help the office to know how many books should be ordered and it will assure the student a copy of the first shipment the bookstore receives.

If used books come in ahead of those ordered, the student's order will be filled with a used book, but if no used books are in, the student will be notified immediately upon the arrival of the new books.

THE BOOKSTORE'S POLICY of buying back used books is to pay 60 percent of the new price, if the books will be used at the University again the next semester.

According to the Bookstore, their buy-back price of 60 percent is higher than the buy-back price of 97 percent of college stores in the United States.

Hoop Tilt Set For Logan

Logan fans will have the opportunity to see former BYU center Fairchild in action again when the Los Angeles Lakers and the Boston Celtics meet in a big pre-exhibition basketball game at 7:30 p.m. in Logan's "Doc" Nelson Fieldhouse.

FAIRCHILD, who starred with the Mountain Cats for the past two years, recently found a spot on the regular berth in now fighting a regular berth.

In addition to Logan fans, will be treated with the sight of one of the greatest basketball combinations in the history of collegiate basketball: Walt Hazzard and Gail Goodrich.

HAZZARD, a second year man with the Lakers, was everybody's All-American during his senior year at UCLA. That year he and Goodrich led the Bruins to an undefeated season and the NCAA championship.

After Hazzard graduated to the pros, Goodrich stayed on to UCLA to another national championship while breaking all of the school's scoring records at the time.

GREAT AS Goodrich and Hazzard are, one of them will be to take a back seat to the Lakers' much-loved Jerry West, one of the starting guard spots on the Lakers Monday night.

Men who are interested in being for BYU's winning soccer team are requested to report to the field Monday or Thursday 10:45 to 6 P.M., or Saturday 10:45 until 4 P.M.

Now in his sixth season in the NBA, West has played in five straight all-star games, and has made first team all-pro the last four seasons. Last year he led the Lakers in scoring with a norm of 31 points-per-game.

OTHER LAKER STARS on display for area basketball fans Monday will be the incomparable Elgin Baylor, Gene Wiley, Rudy LaRusso, Dick Barnett, Leroy Ellis, Darrell Imhoff and former Utah great Bill (The Hill) McGill.

NBA champs for seven consecutive years, the Boston Celtics will have their hands full with the Lakers.

NEVERTHELESS, the Celtics have quite a few horses themselves, and with established NBA stars such as Bill Russell, Sam and K. C. Jones, John Havlicek, Tom Sanders, Willie Naulls, Larry Siegfried and Ron Bonham performing for the Celtics the game should be a real burn-burner.

Top rookie in the Celtics camp and probably the only one with a chance of sticking is Ollie Johnson, who led the San Francisco Dons to such a great season last winter. It will be interesting to see how the strongboy performs against men his own size in the NBA.

THE SCORING power possessed by the two squads is almost unbelievable, and the lights on the Nelson Fieldhouse scoreboard will undoubtedly be flashing faster than ever before.

Tickets for Monday's game are all reserved and are going for \$3 and \$2. They are on sale at the Utah State University ticket office.

Wildcats Sharpen Claws For Pumas

by Dave Fitzpatrick
Universe Sportswriter

Kansas State University will journey about 1,000 miles from its Manhattan home this weekend for an intercollegiate battle with BYU's vastly-improved Cougars.

The Wildcats lost their opener to

Indiana in a televised contest but, no doubt will be ready and rarin' to go Friday night. KSU is in nearly the same straits that the Cougars were in last year.

COACH DOUG Weaver is placing a lot of hope in sophomore quarterback Vic Castillo. A red shirt, Castillo looked sharp in spring practice and went all the way against Indiana. Though 5 m 11 (5-10, 174), Castillo is a perfectionist and a pin-point passer. One other thing in his favor—he is from Texas where quarterbacks have to be good.

Another man to watch, although no soph, is defensive end Bill Matan. A Big Eight selection last year, Matan seems sure to bid for an All-American slot this time around. He has the size, 6-4, 231, to be tough and BYU blockers are probably going to have a tricky time getting him down.

GETTING BACK TO THE newcomers, K State runs more than half (46 out of 73) sophomores on the squad. Admittedly this is quite a load of untested talent to carry but Weaver has other ideas. "Our new men definitely will help us," he said. "Especially in the backfield."

FSU will start a pair of big, rugged lads at the end slots. Bobby Nichols (6-1, 187) will start at left end. A two-year letterman, Nichols came up with some key plays for the Wildcats last year, including one that resulted in a win over Oklahoma State.

A SOPHOMORE, Danny Lankas, will start at right end. Lankas was a standout on the fresh squad and had a good spring. Originally a defensive man, the coaching staff switched him over after viewing his talents.

Tackles will be Warren Klawitter (6-1, 201) and Dick Wilkinson (5-10, 206). This pair has plenty of experience, drive and hustle. They should be the bulwark of the interior line.

JIM JOHNSON (6-3, 250) and Dave Langford (6-2, 237) will be stationed at the guard positions. Johnson, another red shirt, is big and quick. Langford, is another big, speedy man who is a tremendous pulling guard. He also puts A's in the nuclear engineering major.

At center, John Novosel (6-1, 206) will be the man. Slated only for spot duty in spring practice, he perked up and shoved starter Doug Nutter out of a job.

Besides Castillo in the backfield, Weaver will start Charles Cottle and Lolis Rhodes at fullbacks and converted qb Ed Danley at fullback. Rhodes, the most promising of the trio, is also a soph and is a powerful runner. Danley is a heady runner who Weaver shifted to his present slot in the spring.

Swim Tryouts Scheduled At New Tank

All men students interested in swimming for the BYU swim team should report Monday, Sept. 23th, at 3:00 p.m. to the swim pool balcony with their swim suits and towel in hand.

Coach Walt Cryer emphasizes that although "cuts" will not be based on lack of ability, selections will be competitive and the first two men to place in each event will automatically qualify for the team.

Kansas State quarterback Vic Castillo completed 20 passes for 241 yards Saturday.

What'd They Think? ...

ASU Writer Eats Crow

by Dick Mullins
Sports Information Director
Arizona State University

Don't State: You always wonder how
the team feels after suffering the
humiliation the Sun Devils did
suffered. Here then is the story ...
from the Devil's mouthpiece.

MPR—Sunday night last the
ga State football team
the Film, BYU versus San

WAS A traumatic experience.
then so was the game Satur-
night, in which the Cougars,
preseason as one of the weak-
ams in the West, toppled the
i at Tempe, 24-6.

put it bluntly, ASU didn't look
ood in losing the opener.
Frank Kush's summation—
"looked terrible." His excuse—
"better team won."

THE PROBLEMS facing the De-
vils manifest. Kush said before
season that young players
have to carry the brunt of
ad, and that mistakes would

"We have many good, young
rs in their teens," he said,
they simply must get through
learning process. We'll be all
in the long run, but we may

I guess what? Saturday night
Lump-Lump, nee Utah State
rally comes to town.

In State, it is widely known,
e ready-plus for ASU. A year
the Utags of Coach Tony Knap
upset in their season opener

at Tempe, 24-6. On Sept. 11 of this
year the Aggies opened with an
easy 11-12 romp over Hawaii. They
have had two weeks to prepare for
the Sun Devils and revenge is their
motive. The Utags are big, ex-
perienced and rested, and will go
into the game a solid favorite.

Volleyballers Anticipating Banner Year

"We're looking forward to a banner
season," beams volleyball
coach John Lowell, and with good
reason.

COACH LOWELL, who directed
BYU's volleyballers to a fourth
place finish in the NCAA Collegiate
Championship last spring, wel-
comes seven returnees and several
top-notch additions.

In addition to hosting an antici-
pated two tournaments in the new
Richards Physical Education Bldg
this year, the team expects to
travel to Denver, San Francisco,
Phoenix, and the National Finals
at Grand Rapids, Michigan.

ALL INTERESTED athletes are
invited to try out for the squad at
its initial practice Saturday, Sept.
25 at 9 a.m. in the East Gym of the
Smith Fieldhouse.

The sport has only been partici-
pated in by BYU for three years,
and already the team has returned
with the signal honor of being
the first non-California group to
place in the top ten in both Col-
legiate and Open Divisions of the
Nationals.

The official-size courts in the new
Physical Education facility will as-
sist in further improvement.
